RULES AND ADMINISTRATION

May 25, 2022

The Honorable Patrick Leahy
Chairman
Senate Committee on Appropriations
United States Senate
Washington, DC 20510

Dear Chairman Leahy,

I certify that neither I nor my immediate family has a pecuniary interest in any of the congressionally directed spending items that I have requested in the Fiscal Year 2023 Subcommittee on Labor, Health and Human Services, Education, and Related Agencies Appropriations Bill, consistent with the requirements of paragraph 9 of Rule XLIV of the Standing Rules of the Senate.

Sincerely,

Alex Padilla
United States Senator

**Padilla, Alex(D-CA) Labor and Health and Human Services
Congressionally Directed Spending Requests**

Recipient Name	Project Purpose	Project Location	Amount Requested (\$000)
Livermore Valley Joint Unified School District	This funding would be used to help expand mental health offerings in secondary schools within the district, focused on the development of the whole child: physical, academic, behavioral, and social emotional.	Alameda CA	\$180
Clausen House	Funding for program in partnership with Oakland Unified School District; Laney College; and Merritt College to develop enhanced, transformational transition services for individuals with intellectual and developmental disabilities.	Alameda County CA	\$1,198
just keep livin Foundation (JKL)	Project to launch new programming of the just keep livin Foundation's Title I afterschool fitness and wellness curricula in five high schools in the Oakland region.	Alameda County CA	\$200
University of California, Berkeley	Funding to expand Latino-focused academic students and preparation of publications and other related scholarly materials on Latino contributions to the nation and the social sciences, including a digital repository of major works. Funding will also permit the creation of graduate-level Latino focused mentorship and fellowship programs to catalyze and sustain future scholarship.	Alameda County CA	\$1,000
City of Pleasanton	Funding to expand access to Axis Bridge, a central entry point for assessment, triage, treatment, and care coordination for anyone seeking mental health treatment, regardless of income and insurance type or status.	Alameda and Contra Costa County CA	\$450
City of Huntington Beach	Funding for mobile crisis response program that delivers immediate mental health care to any resident in need.	City of Huntington Beach CA	\$1,500
City of Long Beach	Funding to address aging public health infrastructure that limits the City's ability to provide access to essential services and to improve health outcomes.	City of Long Beach CA	\$4,000
City of Long Beach	Project to address significant deferred maintenance and infrastructure investment needs to the City's Multi-Service Center.	City of Long Beach CA	\$2,000
