WASHINGTON, DC 20510

COMMITTEES:  
BUDGET  
ENVIRONMENT AND PUBLIC WORKS  
HOMELAND SECURITY AND  
GOVERNMENTAL AFFAIRS  
JUDICIARY  
RULES AND ADMINISTRATION

April 6, 2023

The Honorable Patty Murray  
Chair  
Senate Committee on Appropriations  
United States Senate  
Washington, DC 20510

Dear Chair Murray,

I certify that neither I nor my immediate family has a pecuniary interest in any of the congressionally directed spending items that I have requested in the Fiscal Year 2024 Subcommittee on Transportation, Housing and Urban Development, and Related Agencies Appropriations Bill, consistent with the requirements of paragraph 9 of Rule XLIV of the Standing Rules of the Senate.

Sincerely,

A handwritten signature in black ink, appearing to read 'Alex Padilla', written over a large, stylized circular flourish.

Alex Padilla  
United States Senator

Congressionally Directed Spending Requests**

<b>Recipient Name</b>	<b>Project Purpose</b>	<b>Project Location</b>	<b>Amount Requested (\$000)</b>
Alameda-Contra Costa Transit District	Funding to support AC Transit's Zero Emission Bus University, which will serve as a training center for operations and maintenance transit workers.	Alameda CA	\$2,000
Children's Creativity Museum	Funding to upgrade an outdoor learning venue.	City and County of San Francisco CA	\$600
American Conservatory Theatre Foundation	Funding for renovations and improvements to the landmark Toni Rembe Theater (formerly the Geary Theater), which will expand and enhance operations, improve accessibility, and increase energy efficiency.	City and County of San Francisco CA	\$3,000
City and County of San Francisco Recreation and Park Department	This project will transform Twin Peaks Blvd., into a pedestrian walkway.	City and County of San Francisco CA	\$1,500
The Friendship House Association of American Indians	Funding for the Village SF Urban Indian Project to create hub for Native-led organizations to provide supportive services.	City and County of San Francisco CA	\$4,000
The Center of Asian Network dba Chinese Railroad Workers History Center	Funding for construction costs for the Chinese Railroad Workers History Center.	City and County of San Francisco CA	\$2,890
City of Agoura Hills	This project will fund the design and construction of bikeway improvements in the City.	City of Agoura Hills CA	\$1,950
City of Alameda	The Lincoln Avenue/Marshall Way/Pacific Avenue Corridor Improvement Project will make safety and mobility improvements to a high priority corridor that connects neighborhoods across Alameda.	City of Alameda CA	\$2,000
City of Alturas	This project would allow the City to complete infrastructure upgrades to West 8th Street and Court Street.	City of Alturas CA	\$505
Anaheim Transportation Network	Funding to create zero-emission community connection nodes at three locations on the route of a new bus rapid transit circulator in Anaheim.	City of Anaheim CA	\$1,500
City of Artesia	This funding would make improvements to several streets in failed condition and serious condition.	City of Artesia CA	\$2,000
City of Avalon	Funding to expand Pebbly Beach landfill capacity in order to avoid shipping trash to the mainland via barge.	City of Avalon CA	\$2,000
City of Bakersfield	Project to develop Martin Luther King Jr. Park into a new state-of-the-art community education, recreation, and disaster resiliency center and park.	City of Bakersfield CA	\$3,000
City of Beaumont	This project will support the extension of 2nd Street from its westerly terminus to Pennsylvania Avenue.	City of Beaumont CA	\$1,000
City of Brea	Funding for the Tracks at Brea Trail project, which will build a unique 50-acre linear park featuring a dual-tread bicycle trail and separate pedestrian path that will traverse the City east to west for over four miles.	City of Brea CA	\$1,240
City of Brea	Funding for the Brea Fire department to acquire a new fire engine to replace an aging vehicle.	City of Brea CA	\$908

City of Brea	Funding to modernize Arovista Park, including the only all-accessible playground in North Orange County.	City of Brea CA	\$2,000
City of Calimesa	This project supports street improvements along County Line Road.	City of Calimesa CA	\$4,000
City of Carlsbad	Funding for the City of Carlsbad's Safe Routes to Schools project, which seeks to increase pedestrian, bicyclist, and driver safety near schools.	City of Carlsbad CA	\$2,100
City of Carson	Project to replace turf with drought tolerant plants and drip irrigation along Avalon Blvd.	City of Carson CA	\$1,500
City of Chino	This project would construct a facility that provides short-term housing and comprehensive services to individuals experiencing homelessness in the City of Chino.	City of Chino CA	\$2,000
City of Chino Hills	This project will support new sidewalks and ADA improvements, curbs and gutters, pavement rehabilitation, and street lights in the Los Serranos community.	City of Chino Hills CA	\$2,000
City of Compton	Funding for the City of Compton's Wilmington Avenue Safe Street Pedestrian and Bicycle Improvement Project.	City of Compton CA	\$2,000
City of Concord	Funding for critical structural and preservation work at the Don Fernando Pacheco Adobe, to improve public accessibility.	City of Concord CA	\$2,000
City of Dinuba	Funding to build an Emergency Services Station that houses ambulance services at a satellite location to service a significant portion of the City.	City of Dinuba CA	\$3,500
City of East Palo Alto	This project will provide essential safety improvements to East Bayshore Road.	City of East Palo Alto CA	\$2,000
City of East Palo Alto	The project will develop a modern state of the art turf athletic field where kids and families can play multiple sports.	City of East Palo Alto CA	\$1,600
City of Elk Grove	This project will help the city transition its fleet to electric vehicles.	City of Elk Grove CA	\$3,100
City of Encinitas	This project will provide vehicular and pedestrian safety improvements at rail crossings and reduce train noise at four of the City's at-grade rail crossings.	City of Encinitas CA	\$5,000
City of Escondido	Project to reduce evacuation times along key routes serving high fire severity zones through an updated emergency evacuation plan, signal timing, and smart-signal improvements.	City of Escondido CA	\$1,920
City of Escondido	This project will significantly improve the City of Escondido's main downtown corridor with widened sidewalks, improved pedestrian crossings, and a new roundabout circle to reduce traffic and improve safety.	City of Escondido CA	\$2,000
City of Escondido	The Escondido Creek Trail project will improve an existing Class I Bike Path and create a new segment of trail for active transportation and recreational use.	City of Escondido CA	\$2,560
City of Fullerton	This project would help to construct an All Inclusive/All Abilities Playground for residents with disabilities.	City of Fullerton CA	\$600
City of Fullerton	This funding will replace two 20-year-old fire engines that have reached the end of their service life.	City of Fullerton CA	\$2,400
City of Gardena	Funding for improvements to Mas Fukai Park.	City of Gardena CA	\$4,000

City of Gustine	This project will support the renovation and expansion of a community facility in Gustine.	City of Gustine CA	\$660
City of Hanford	The East Lacey Corridor Improvement project is a multi-modal infrastructure project that will connect Hanford residents to services in the downtown, promote active transportation opportunities, and connect residents to the Kings/Tulare High Speed Rail Station.	City of Hanford CA	\$7,315
City of Hayward	Funding to rehabilitate the existing facilities at St. Regis, a former assisted living facility, into a holistic campus of behavioral health treatment and crisis services, medical clinic, and supportive housing.	City of Hayward CA	\$1,500
City of Indio	This project will improve Indio Boulevard and encourage active transportation.	City of Indio CA	\$1,925
City of Industry	Funding for a youth activities league gym and multi-use facility in the City of Industry.	City of Industry CA	\$2,000
City of Irvine	Project to connect the Venta Spur Trail to the existing Jeffrey Open Space Trail, providing safe, convenient off-street connectivity for pedestrians and cyclists.	City of Irvine CA	\$900
City of King City	Funding for a roundabout at the intersections of San Antonio Drive/San Lorenzo Park Road/Broadway Street and San Antonio Drive/US 101 Northbound Off Ramp/US 101 Northbound On Ramp. The proposed roundabout intersection aims to enhance safety and alleviate traffic congestion	City of King City CA	\$1,515
City of La Verne	This project supports the construction of the Gold Line pedestrian overcrossing that will serve as a critical connector between the future Metro La Verne L (Gold) Line Station and Los Angeles County's Fairplex property.	City of La Verne CA	\$2,000
City of Lafayette	Funding to update a Feasibility and Options Study for a Pedestrian and Bicycle Pathway along the EBMUD Aqueduct ROW.	City of Lafayette CA	\$675
City of Lafayette	Funding for the West Reach Creek Public Access project.	City of Lafayette CA	\$900
City of Laguna Beach	Funding to repair and rebuild South Laguna Fire Station.	City of Laguna Beach CA	\$2,000
City of Lake Elsinore	Funding for a new facility with housing and supportive services for individuals experiencing homelessness.	City of Lake Elsinore CA	\$3,000
City of Lancaster	This project would make improvements to the Avenue M Interchange.	City of Lancaster CA	\$2,000
City of Lancaster	Funding for a new neighborhood park at Avenue J and 22nd Street Wes	City of Lancaster CA	\$5,000
City of Los Angeles - Harbor Department (Port of Los Angeles)	This pedestrian bridge project will provide a connection from Wilmington over a dangerous, highly trafficked rail corridor to the newly built Wilmington Waterfront Promenade in the City of Los Angeles.	City of Los Angeles CA	\$5,000
Discovery Cube Los Angeles	This project would fund an Educational Hub tackling STEM subjects (Science, Technology, Engineering, and Math) for the Los Angeles Community.	City of Los Angeles CA	\$1,938
City of Lynwood	Funding to repair and upgrade the City of Lynwood Senior Citizens Center.	City of Lynwood CA	\$500
City of Lynwood	This project supports the renovation of Lynwood City Park.	City of Lynwood CA	\$2,000

City of Mendota	Funding to begin repairing and upgrading city streets.	City of Mendota CA	\$2,000
City of Mendota	Funding for construction of a new community center, which would serve as a hub for recreation and workforce development throughout the year and also as a regional emergency shelter during natural disasters.	City of Mendota CA	\$1,000
City of Milpitas	Funding to procure a new heavy rescue apparatus for the Fire Department.	City of Milpitas CA	\$1,250
City of Mission Viejo	This project would fund a cultural and educational facility in Mission Viejo.	City of Mission Viejo CA	\$4,000
City of Monterey Park	Funding for the design and remodeling of Fire Station 61. The existing fire station is aging and beginning to exceed its useful life.	City of Monterey Park CA	\$1,500
City of Monterey Park	This funding will reconstruct Fire Station 63 and adjoining training tower to better meet the needs of modern first responders in Los Angeles County.	City of Monterey Park CA	\$6,500
City of Napa	This project will support the construction of electric vehicle supply equipment at the City's Corporation Yard.	City of Napa CA	\$1,730
City of National City	Funding to support the construction of the Las Palmas Wellness Center.	City of National City CA	\$5,200
City of Needles	This project will replace deteriorated, damaged or missing sidewalks, pave high traffic streets, and complete intersection hazard mitigation improvements.	City of Needles CA	\$2,500
City of Newark	This project would provide pavement rehabilitation and improved pedestrian and bicycle facilities on Thornton Avenue between Ash Street.	City of Newark CA	\$1,000
City of Norwalk	This project would remodel and expand the current Social Services Center into a navigation center that increases supportive services in the City of Norwalk.	City of Norwalk CA	\$2,500
City of Norwalk	Project to enhance bus stops throughout the City of Norwalk.	City of Norwalk CA	\$2,284
Alameda-Contra Costa Transit District	Funding to install the hydrogen sensing technology and equipment at AC Transit's Central Maintenance Facility in East Oakland, which is needed to safely perform maintenance on Fuel Cell Electric Buses.	City of Oakland CA	\$1,800
City of Oakland	The DignityMoves Homekey project is a proposal to develop 40 units of permanent supportive housing on a surplus City of Oakland-owned parcel. Federal funding will allow for a second story to this project for an additional 15 units of permanent supportive housing for the homeless.	City of Oakland CA	\$3,000
City of Oakland	Funding for a fire engine and two vans to be used by the Mobile Assistance Community Responders of Oakland (MACRO) program.	City of Oakland CA	\$1,150
City of Oakley	Funding for construction of Enrico Cinquini Park.	City of Oakley CA	\$2,000
City of Oceanside	This project will support upgrades to the Landes Community Center.	City of Oceanside CA	\$900
City of Orange	Funding to improve the accessibility and functionality of Olive Park.	City of Orange CA	\$4,500
City of Oxnard	This project will construct approximately 1,900 linear feet of reinforced concrete flood wall and a 120-foot wide flood gate system along the Santa Clara River Levee.	City of Oxnard CA	\$5,000

City of Palm Springs	Funding to complete the construction of the Palm Springs Navigation Center, to provide services and resources for the City's homeless population.	City of Palm Springs CA	\$2,250
City of Palm Springs	Funding for the Regional Flood Mitigation Project to improve several local roads and bridges that are threatened by flooding.	City of Palm Springs CA	\$673
City of Paso Robles	Funding for the State Route 46 Corridor Mobility Improvement Project to construct an interchange along a busy corridor providing safety and mobility enhancements for trucks, bicyclists, tourists, and commuters, and improve goods movement.	City of Paso Robles CA	\$1,800
City of Perris	Funding for the expansion of the Senior Center to combat food insecurity and health concerns with elderly and disadvantaged populations.	City of Perris CA	\$2,000
City of Petaluma	Funding for dredging to recover the full operational water depth for boating safety, navigation, and Marina operations at the Petaluma Marina.	City of Petaluma CA	\$2,000
City of Pico Rivera	The Rosemead/Lakewood Blvd. Complete Corridor Project will make improvements to a 16.7 mile stretch of CA-19 into a holistic multimodal corridor that integrates a high-quality bus rapid transit line.	City of Pico Rivera CA	\$3,000
Just Us 4 Youth	Funding to acquire a building in the Pomona area to serve as a maternity group home for pregnant women and young mothers over 18 and their children.	City of Pomona CA	\$1,000
City of Rancho Cordova	This project would construct 60-70 new units of deeply affordable permanent housing with supportive services for homeless senior veterans ages 55 and over.	City of Rancho Cordova CA	\$3,500
City of Rancho Cucamonga	This project supports deployment of an Advanced Traffic Management System to be responsive to real-time traffic patterns and facilitate the emergency evacuations of residents during natural disasters.	City of Rancho Cucamonga CA	\$3,000
City of Rialto Fire Station 203	This project would remediate PFAS contaminated soil and modernize a fire station training facility.	City of Rialto CA	\$2,000
City of Rialto	This project will support the I-10 / Riverside Avenue Freight Improvement Project.	City of Rialto CA	\$3,000
City of Riverside	Funding for the environmental cleanup, building stabilization, and renovations required to convert a former National Guard Armory into a multiuse recreation building within Fairmont Park.	City of Riverside CA	\$2,500
City of Rosemead	This project will improve pedestrian safety along Pitkin Street near a school and highly utilized recreational area.	City of Rosemead CA	\$1,080
City of Rosemead	Funding to rehabilitate Garvey Park.	City of Rosemead CA	\$800
City of Sacramento	This project would convert an unfinished building into a multi-use community center that would serve underserved youth.	City of Sacramento CA	\$4,000
California State University, Sacramento	This project would replace existing Sacramento State shuttles and vans with emission-free all-electric units.	City of Sacramento CA	\$3,979
Housing Authority of the County of San Bernardino	Funding for the rehabilitation of the 7th Street community and preserve it as a affordable housing site.	City of San Bernardino CA	\$2,700

City of San Buenaventura	This project would support improvements in the Main Street Moves pedestrian closure zone to continue to grow community engagement and economic vitality safely.	City of San Buenaventura CA	\$2,760
City of San Diego	Funding will be used for capital improvements on the conversion of an existing office building into a homeless shelter that will serve 45 individuals.	City of San Diego CA	\$1,500
City of San Diego	Funding to establish a Community Resilience Hub at Montgomery Waller Recreation Center in the historically disadvantaged community of Otay Mesa.	City of San Diego CA	\$1,500
Santa Clara Valley Transportation Authority	This project will support the redevelopment of the San Jose Diridon station.	City of San Jose CA	\$3,500
City of San Jose	This program provides gap assistance to low-income households at the brink of eviction.	City of San Jose CA	\$2,600
City of San Mateo	This funding will support the renovation of Dr. Martin Luther King Jr. Community Center, which serves as the resilience center for the city during emergencies.	City of San Mateo CA	\$1,500
City of San Pablo	Funding for the San Pablo Municipal Broadband Project for construction and installation of fiber optic cables.	City of San Pablo CA	\$3,000
City of San Rafael	This project will focus on clearing a path and removing obstacles on a critical segment under Highway 101 adjacent to the Marin Civic Center SMART tracks to create a safe route for students traveling to the Venetia Valley School using active transportation modes.	City of San Rafael CA	\$1,500
City of Santa Clara	Project will reduce traffic congestion and improve multimodal mobility at the Great America Parkway and Mission College Blvd intersection in the City of Santa Clara.	City of Santa Clara CA	\$3,000
City of Santa Cruz	Funding for a project to improve Mitchell's Cove Seawall to make it more resilient to future storm events.	City of Santa Cruz CA	\$2,000
City of Santa Monica	Funding to complete the construction of Santa Monica's Fire Training Facility, which provides training opportunities to regional fire responders.	City of Santa Monica CA	\$5,200
City of Santa Monica	Funding for rehabilitation of an affordable housing property in the Pico Neighborhood.	City of Santa Monica CA	\$4,000
City of Soledad	Funding to secure the historic Los Coches Adobe site and building and prevent further deterioration.	City of Soledad CA	\$1,000
City of South El Monte	This project will construct a new community facility in New Temple Park, replacing three existing, outdated facilities with a higher-functioning building.	City of South El Monte CA	\$3,000
City of South San Francisco	Funding for a project to transform an underdeveloped patch of land along Centennial Way Trail into a community recreation, wellness, and education space	City of South San Francisco CA	\$2,400
City of South San Francisco	The El Camino Real Complete Streets project will connect South San Francisco to Colma by constructing bicycle and pedestrian improvements on El Camino Real between Arlington Drive and Hickey Boulevard.	City of South of San Francisco CA	\$1,000
City of Stanton	Funding to build a multi-functional community center at Dotson Park that will house early childhood development programs, teen programs, and family support services.	City of Stanton CA	\$2,000
City of Stockton	Funding to convert Van Buskirk Park into a multifaceted outdoor recreation destination.	City of Stockton CA	\$2,800

City of Sunnyvale	Funding to rebuild Fire Station 2, which also serves as a regional fire academy training center.	City of Sunnyvale CA	\$5,000
City of Temecula	Funding for rehabilitation and improvement of the Temecula Valley Museum.	City of Temecula CA	\$750
City of Temecula	Funding to construct a modular outdoor skate park on City owned property adjacent to Boys and Girls Club facility on Pujol Street.	City of Temecula CA	\$750
City of Torrance	Funding to support the City of Torrance's Downtown Revitalization and Connectivity Plan.	City of Torrance CA	\$1,500
City of Tracy	This project will fund the construction of a Multigenerational Recreation Center in the City of Tracy.	City of Tracy CA	\$2,000
San Francisco Bay Ferry Water Emergency Transportation Authority	Funding to reconfigure the Vallejo Ferry Terminal to eliminate the need for costly dredging at the boat dock. This will reduce service disruption for passengers, reduce environmental disturbance, and increase service efficiency.	City of Vallejo CA	\$3,000
City of Vista	This funding will support the Rancho Minerva Middle School Safe Routes to School project to enhance safety for pedestrians and bicyclists via an improved sidewalk area, bicycle facilities, four roundabouts, and traffic calming measures.	City of Vista CA	\$6,000
City of West Hollywood	Funding to rehabilitate the Log Cabin Facility in the City of West Hollywood.	City of West Hollywood CA	\$1,750
City of West Sacramento	This project would underground utilities and fill in gaps to the pedestrian and bicyclist network.	City of West Sacramento CA	\$4,904
County of Contra Costa	This project will construct a Class I shared-used path closing a 3.2-mile gap in the planned 500-mile San Francisco Bay Trail, providing multi-modal access for residents in Rodeo and Crockett, and improving safety.	Contra Costa CA	\$2,000
Metrolink, Southern California Regional Rail Authority	Funding to implement Wireless Crossing Nearside Station Stop technology at key Metrolink crossings across the network to minimize gate downtime, vehicular/pedestrian traffic congestion and unsafe driver actions at crossings.	Counties of Los Angeles and Orange CA	\$1,600
South Coast Air Quality Management District	This funding will support a demonstration project of a zero-emission passenger rail vehicle.	Counties of Los Angeles, San Bernardino, Riverside, Orange County CA	\$2,000
Chino Valley Independent Fire District	This funding would support the construction of a fire station and the purchase a tractor drawn aerial ladder truck.	Counties of San Bernardino, Los Angeles, Orange and Riverside CA	\$3,400
Chino Valley Independent Fire District	Funding for construction of a 6,332 square foot Essential Resource Facility to house fire apparatus and essential emergency supplies.	Counties of San Bernardino, Los Angeles, Orange and Riverside CA	\$2,100
City and County of San Francisco	Funding to purchase electric buses to replace end of useful life CNG buses in use at San Francisco International Airport	Counties of San Francisco and San Mateo CA	\$4,725
County of Tehama	Funding to support a project that seeks reconstruction of the 99W corridor from Corning to the Glenn County boundary.	Counties of Tehama and Glenn CA	\$1,000
County of Contra Costa	The project will improve safety and first mile/last mile connectivity for pedestrians and bicyclists along Treat Boulevard in the vicinity of the Contra Costa Centre Transit Village.	County of Contra Costa CA	\$1,500

County of Contra Costa	Funding for a new library/multi-use community resource center to be constructed for the disadvantaged community of Bay Point.	County of Contra Costa CA	\$1,500
County of Contra Costa	Funding to develop the Contra Costa County Sea Level Rise Adaptation Plan.	County of Contra Costa CA	\$800
County of Del Norte	Funding for the renovation of Pyke Field.	County of Del Norte CA	\$1,500
County of El Dorado	This project will construct 1.2 miles of paved pedestrian and bicycle trail between neighborhoods, the regional hospital, and the community college on the south shore of Lake Tahoe.	County of El Dorado CA	\$4,000
Sierra Unified School District	This project will support the acquisition of new electric school buses for the district's fleet.	County of Fresno CA	\$3,000
County of Imperial	This project will rehabilitate a 45-year-old concrete slab bridge on Gentry Road (at the New River) in Imperial County.	County of Imperial CA	\$3,600
County of Imperial	This project will replace an 83-year-old timber bridge on Kalin Road (at the New River) in Imperial County with a new single-span bridge.	County of Imperial CA	\$5,600
Imperial County Transportation Commission	Funding for the first phase of the Calexico Intermodal Center.	County of Imperial CA	\$3,200
County of Inyo	This project will construct a new 20,000 square yard apron at the Bishop Airport adjacent to facilitate the expansion of passenger air service to the Eastern Sierra region.	County of Inyo CA	\$3,000
Kings Community Action Organization Incorporated	This project will build a larger food bank and multi-services campus to address the needs for both food and emergency shelter.	County of Kings CA	\$2,000
Los Angeles County Metropolitan Transportation Authority	The Eastside Transit Corridor Phase 2 project is approximately 4.6-mile light rail transit extension that would connect the cities of Montebello and Commerce and the unincorporated community of East Los Angeles to the existing terminus of the L Line at Atlantic Boulevard in East Los Angeles.	County of Los Angeles CA	\$5,000
Venice Community Housing Corporation	Funding for construction costs of LLAX Suites, a permanent supportive housing project in an unincorporated part of Los Angeles County that will house 47 households.	County of Los Angeles CA	\$620
Neighborhood Legal Services of Los Angeles County	Funding for construction of Neighborhood Legal Services of Los Angeles County's new Pacoima Justice and Job Training Center.	County of Los Angeles CA	\$3,000
County of Los Angeles	This funding will provide a variety of safety and mobility improvements in Westmont-West Athens, including new traffic signal installation, upgraded intersection safety improvements, and replacement of bus shelters.	County of Los Angeles CA	\$1,500
County of Los Angeles	The Santa Clarita Valley Multimodal and Resiliency Enhancement project will provide congestion mitigation, traffic safety improvements, and improve public health.	County of Los Angeles CA	\$1,500
County of Los Angeles	This project will improve the active transportation network near the confluence of San Jose Creek and San Gabriel River by improving access to existing and planned Class I bike paths and multiuse trails.	County of Los Angeles CA	\$1,500
County of Los Angeles	The Advanced Traffic Controllers project will enhance First/Last-Mile connections to the future L Line Norwalk and Lambert station areas by optimizing the use of smart traffic signals on major corridors.	County of Los Angeles CA	\$1,500

Epidaurus	Funding to renovate and expand Amistad de Los Angeles Residential Reentry Facility.	County of Los Angeles CA	\$1,500
The People Concern	Funding for essential renovations to The People Concern's Annenberg Access Center, designed to be a first step to ending homelessness. The Annenberg Access Center provides clients with essential services, case management, and access to permanent housing.	County of Los Angeles CA	\$297
Coalition for Responsible Community Development	Funding to reactivate the 1927 Historic Lincoln Theater in South Los Angeles as a as a cultural and performing arts hub.	County of Los Angeles CA	\$2,500
Los Angeles County Museum of Natural History Foundation	Project to renovate and reimagine the 13-acre La Brea Tar Pits and George C. Page Museum campus.	County of Los Angeles CA	\$2,000
County of Los Angeles	This project will create a new regional park at the former Puente Hills Landfill.	County of Los Angeles CA	\$1,000
County of Los Angeles	Funding to expand Jackie Robinson Park in Sun Village.	County of Los Angeles CA	\$2,125
County of Los Angeles	Funding for the Littlerock New Park Development Project	County of Los Angeles CA	\$2,500
County of Madera	Funding for land acquisition to develop an open green space for the Madera Ranchos community.	County of Madera CA	\$1,075
Marin Housing Authority of the County of Marin	This funding will support the large-scale rehabilitation and revitalization of the 60-year old, 296-units of public housing in Marin City's Golden Gate Village.	County of Marin CA	\$1,300
County of Merced	The project will construct a new 18.6-acre public park in the unincorporated community of Franklin-Beachwood.	County of Merced CA	\$3,500
Transportation Agency for Monterey County	Funding to better protect pedestrians and cyclists on the Pajaro to Prunedale G12 corridor, which services is a travel alternative to State Route 1 between Santa Cruz and Monterey Counties.	County of Monterey CA	\$1,811
Monterey-Salinas Transit District	This project will support the retrofit of Monterey-Salinas Transit's Operating and Maintenance Facilities in Monterey and King City in preparation for hydrogen fueling infrastructure and hydrogen fuel cell buses.	County of Monterey CA	\$2,320
County of Monterey	Funding to remove blight at the former Fort Ord in Monterey County.	County of Monterey CA	\$650
County of Monterey	This project is a multi-benefit, green infrastructure project that will recreate hydrological connectivity, restore habitat, and reduce flood hazards in the Carmel River Watershed.	County of Monterey CA	\$3,000
County of Nevada	Project to reduce traffic issues at the intersections of Rough and Ready Highway/Ridge Road and Rough and Ready Highway/Adam Avenue, in the unincorporated area of Nevada county.	County of Nevada CA	\$3,000
City of Laguna Beach	This project will make improvements to the State Route 133 corridor.	County of Orange CA	\$2,000
The Greater Orange Community Arts Theater Foundation	The Greater Orange Community Arts Theater will be a performing and visual arts center for students in a currently underserved community.	County of Orange CA	\$2,000
County of Placer	This project will improve a section of Route 89 in Tahoe City via new sidewalks, a transformed roadway, improved access to public transit, and park and ride facilities.	County of Placer CA	\$3,000

Coachella Valley Association of Governments	Funding for the Coachella Valley Signal Synchronization project to reduce idling times to improve air quality; improve traffic flow and goods movement, reduce fuel costs and commute times; and improve public safety.	County of Riverside CA	\$3,877
Mount San Jacinto Winter Park Authority	This would help complete the purchase of zero emission buses to replace the existing fleet.	County of Riverside CA	\$2,000
SunLine Transit Agency	This project will support the purchase of a battery storage package that will enable the Agency to more efficiently produce hydrogen to fuel its hydrogen fuel cell electric bus fleet.	County of Riverside CA	\$2,500
Desert Recreation District	Funding for construction of a community center and completion of Oasis Park in Riverside County.	County of Riverside CA	\$5,000
Desert Recreation District	Funding to install shade structures at playground sites across the Desert Recreation District.	County of Riverside CA	\$125
Sacramento Regional Transit District	Funding to support SacRT's Light Rail Station Conversion project, which will allow for modern low-floor service. The modernization of the light rail system will improve ADA accessibility and the speed SacRT's service overall.	County of Sacramento CA	\$5,200
County of Sacramento	Project to provide safety improvements to approximately 4 miles of trail along the American River Parkway.	County of Sacramento CA	\$2,000
Sacramento Metropolitan Fire District	Funding to support the Sacramento Metropolitan Fire District's Zinfandel First Responder Training Facility Phase 3 Buildout project.	County of Sacramento CA	\$3,000
County of San Diego	The Stage Coach Lane Pathway project will close an approximately 1.95-mile pedestrian gap that lacks safe non-motorized user access to an area that services a low-income neighborhood and three neighborhood schools.	County of San Diego CA	\$1,425
San Diego Association of Governments	Funding for the planning and advancement of concepts for an airport transit connector for the Central Mobility Hub and Airport Connector.	County of San Diego CA	\$4,000
San Diego Association of Governments	This project will analyze potential grade separations and alternative alignments at eleven at-grade rail crossings within a major transportation corridor in and near downtown San Diego.	County of San Diego CA	\$1,096
Port of San Diego	This project will provide cargo ships with more berthing flexibility and enhance the resiliency of the National City Marine Terminal.	County of San Diego CA	\$1,300
San Joaquin Regional Rail Commission	Funding for a project would enable expanded Altamont Corridor Express (ACE) from Natomas to Ceres to run over new tracks by installing Positive Train Control systems, and ensuring appropriate employee training and rail safety practices required to host new passenger rail service.	County of San Joaquin CA	\$2,812
San Luis Obispo Council of Governments	Funding for a project to develop a multi-use path through Chorro Valley connecting Cal Poly to Cuesta College.	County of San Luis Obispo CA	\$2,000
San Mateo County Transportation Authority	Funding to improve safety and accessibility by constructing a new 1.3-mile long separated bikeway connecting the Hayward Park Caltrain Station with residences and business centers in eastern San Mateo and Foster City and improve four intersections for pedestrian access along the route.	County of San Mateo CA	\$2,000

City/County Association of Governments of San Mateo County (C/CAG)	The funding will be used to plan and design five shovel ready sustainable street pilot projects that will enhance pedestrian and bicycle mobility and safety, add urban green space and wildlife habitat, and control localized flooding.	County of San Mateo CA	\$1,532
City/County Association of Governments of San Mateo County	This project will identify appropriate routes for e-bike travel, prioritize investments to provide a safe e-bike network, and recommend supportive infrastructure for riders.	County of San Mateo CA	\$800
