

United States Senate

WASHINGTON, DC 20510

COMMITTEES:
BUDGET
ENERGY AND NATURAL RESOURCES
ENVIRONMENT AND PUBLIC WORKS
JUDICIARY
RULES AND ADMINISTRATION

May 13, 2024

The Honorable Patty Murray
Chair
Senate Committee on Appropriations
United States Senate
Washington, DC 20510

Dear Chair Murray,

I certify that neither I nor my immediate family has a pecuniary interest in any of the congressionally directed spending items that I have requested in the Fiscal Year 2025 Subcommittee on Transportation, Housing and Urban Development, and Related Agencies Appropriations Bill, consistent with the requirements of paragraph 9 of Rule XLIV of the Standing Rules of the Senate. None of the entities for which I have requested congressionally directed spending are for-profit entities.

Sincerely,

Alex Padilla

**Padilla, Alex(D-CA) Transportation Housing and Urban Development
Congressionally Directed Spending Requests**

Recipient Name	Project Purpose	Project Location	Amount Requested (\$000)
San Francisco Bay Area Rapid Transit District	This funding will support the materials and labor to replace fluorescent tubes with LEDs in eleven BART stations: Lake Merritt, Bay Fair, Hayward, South Hayward, 12th Street/Oakland City Center, MacArthur, Downtown Berkeley, North Berkeley, El Cerrito Plaza, and Richmond.	Alameda, Contra Costa, San Francisco, San Mateo, Santa Clara CA	\$2,000
City of California City	Funding to support phased construction and necessary renovations to City Hall to serve as a resiliency center during natural disasters.	California City CA	\$2,222
North of Market/Tenderloin Community Benefit District	Funding to develop a multi-use community space and workforce development center.	City and County of San Francisco CA	\$2,400
San Francisco Market Corporation	Funding for construction of the Food Recovery & Waste Reduction Center, improving food access to underserved populations.	City and County of San Francisco CA	\$1,360
City of Agoura Hills	The Wildlife Crossing Tunnel Road Improvements Project will construct a protective barrier for pedestrians and bicyclists at a highly trafficked crossing of the 101-freeway used to enter the City of Agoura Hills.	City of Agoura Hills CA	\$2,200
City of Alameda	This project will make safety and mobility improvements to a high priority corridor that serves schools, commercial districts and parks.	City of Alameda CA	\$3,000
Anaheim Transportation Network	This funding will provide zero-emission community connection nodes at three locations on the route of a new bus rapid transit circulator in Anaheim.	City of Anaheim CA	\$1,500
City of Anaheim	Project to make traffic and streetscape improvements in the Little Arabia District.	City of Anaheim CA	\$3,500
City of Anaheim	This funding will support the City of Anaheim's project to create a Workforce and Entrepreneurship Innovation Hub.	City of Anaheim CA	\$2,000
City of Anaheim	Funding to make improvements at Delphi Park.	City of Anaheim CA	\$3,500
City of Artesia	The Citywide Road Rehabilitation Project will support the repair and reconstruction of over 400,000 square feet of roads rated as "very poor" in the City of Artesia to increase road and pedestrian safety, optimize water management, and improve functionality.	City of Artesia CA	\$3,000
City of Atascadero	Funding to improve safety and security improvements of a police station.	City of Atascadero CA	\$2,000
City of Avalon	Funding to create affordable housing to retain an adequate workforce.	City of Avalon CA	\$2,000
Boys & Girls Club of Kern County	Funding to establish a youth development center.	City of Bakersfield CA	\$3,000
Kern Council of Governments	The funding will be used to replace a rural 4-way stop with a safer, trucking-enabled roundabout.	City of Bakersfield CA	\$5,000
Catholic Charities Dioceses of Fresno	This funding will enhance social service programs and food distribution operations in Bakersfield.	City of Bakersfield CA	\$3,800
City of Bakersfield	This funding will support the MLK Park Revitalization and Reimagining Project.	City of Bakersfield CA	\$4,976

County of San Bernardino	Funding to renovate San Bernardino County's Head Start Preschool in the City of Barstow.	City of Barstow CA	\$1,250
City of Beaumont	Funding to support the City of Beaumont's Pennsylvania Avenue Grade Separation Project.	City of Beaumont CA	\$3,000
City of Berkeley	Funding to support the City of Berkeley's project to improve Adeline Street and create a new pedestrian transit plaza across from the Ashby BART station.	City of Berkeley CA	\$3,000
City of Berkley	The East Bay Regional Fire Training Consortium is comprised of Richmond, El Cerrito/District of Kensington, Albany, and Berkeley. Phase 1 is to build out the East Bay Regional Fire Training Facility to use for first responder training.	City of Berkley CA	\$3,000
City of Bishop	This funding will provide for the purchase of a new Ladder Truck for the Bishop Fire Department.	City of Bishop CA	\$1,500
City of Brawley	The Main Street Rehabilitation and Water Main Extension Project will complete construction of Main Street from Eastern Avenue to Best Road.	City of Brawley CA	\$2,500
City of Brea	Funding to support the closure of the north leg of the Flower ave/ Imperial Highway intersection to motorists, as part of the City of Brea's Safe Routes to Schools Project.	City of Brea CA	\$1,200
City of Burbank	Funding to support construction of a new Central Library in Burbank.	City of Burbank CA	\$3,000
City of Burbank	Funding for a feasibility study and conceptual design to replace the current Olive Avenue Bridge.	City of Burbank CA	\$300
City of Burlingame	Project to eliminate the existing at-grade Caltrain railroad crossing at Broadway and create a grade-separated crossing.	City of Burlingame CA	\$2,500
City of Calimesa	The Calimesa Interstate 10/Singleton Road Interchange Project will construct the two missing ramps at the I-10/Singleton Road interchange and realign the intersection of Calimesa Boulevard and Singleton Road.	City of Calimesa CA	\$2,000
City of Carson	This project will improve pedestrian and traffic safety for primary transit routes to schools and parks in the City of Carson, including through installation of fiber optic network infrastructure to connect traffic signals and cameras to a Traffic Management Center.	City of Carson CA	\$2,000
City of Ceres	Funding to renovate the American Legion Memorial Building in Ceres to serve as the City's primary resilience center.	City of Ceres CA	\$2,265
City of Chino	Funding to construct and operate a transitional housing facility to support people experiencing homelessness.	City of Chino CA	\$2,000
City of Citrus Heights	Funding to develop 26-units of affordable housing for low-income residents.	City of Citrus Heights CA	\$2,281
City of Coalinga	Funding for the construction of a facility for pH adjustment of potable water.	City of Coalinga CA	\$1,695
City of Concord	Funding to make library infrastructure enhancements.	City of Concord CA	\$4,000
City of Corcoran	Funding for design of a storm drainage system to help address flooding.	City of Corcoran CA	\$2,000
City of Corona	Funding to make improvements to the Corona Historic Civic Center.	City of Corona CA	\$1,000
City of Diamond Bar	Funding to support the renovation of Heritage Park.	City of Diamond Bar CA	\$1,500

City of Dinuba	Funding for construction of a second fire station in the City of Dinuba.	City of Dinuba CA	\$5,000
City of Dinuba	Funding to upgrade the Dinuba Senior Center facility with ADA improvements, including installing ramps for mobility impaired residents to access the facility.	City of Dinuba CA	\$1,000
City of Dinuba	Funding to upgrade the Dinuba Sportsplex to serve as a regional resilience and cooling center.	City of Dinuba CA	\$2,000
City of East Palo Alto	Funding to support the implementation of road safety improvements along a dangerous, narrow, winding stretch of Woodland Avenue.	City of East Palo Alto CA	\$2,400
City of East Palo Alto, California	Project to realign 2.4 miles of the San Francisco Bay (bike and pedestrian) Trail, made necessary by the construction of a new levy to protect neighboring communities from sea level rise.	City of East Palo Alto CA	\$600
City of Eastvale	Funding to support construction of a permanent City Hall as part of the Eastvale Civic Center.	City of Eastvale CA	\$2,000
City of El Centro	This project will complete the final phase of the Imperial Avenue Extension project, which will connect the northern and southern portions of the City of El Centro across Interstate 8.	City of El Centro CA	\$3,000
City of El Monte	Funding to restore Pioneer Park.	City of El Monte CA	\$2,000
City of Elk Grove	Funding to support the City of Elk Grove's Laguna Creek Trail Connectivity Project.	City of Elk Grove CA	\$1,500
Cosumnes Community Services District	Funding to make Rau Park more accessible for people needing mobility assistance.	City of Elk Grove CA	\$2,400
City of Elk Grove	The funds requested will be used for infrastructure upgrades at City facilities to support the municipal fleet transition to electric vehicles.	City of Elk Grove CA	\$2,000
City of Emeryville	Thee 40th Street Multimodal Project will implement transportation infrastructure improvements to reconnect neighborhoods that have been isolated for decades by the construction of multiple freeways.	City of Emeryville CA	\$3,000
City of Encinitas	The N. Coast Highway 101 Streetscape Drainage Project will, as part of the City of Encinitas' larger Leucadia Streetscape Project, make significant drainage improvements on North Coast Highway 101, which sits in a local low point and floods under small storms.	City of Encinitas CA	\$1,000
City of Farmersville	Funding for the purchase of a specially outfitted bulldozer with a transporting vehicle and trailer to be used by firefighters for flood control and wildland fires.	City of Farmersville CA	\$950
City of Fountain Valley	Funding to provide emergency housing and wrap-around services to people experiencing homelessness.	City of Fountain Valley CA	\$1,711
City of Fremont	Funding to develop a year-round transitional relief shelter program.	City of Fremont CA	\$1,700
City of Fremont	This funding to support replacement the City's old Teen Center and Fremont Community Center located at Central Park.	City of Fremont CA	\$3,000
F3 Innovate	Funding to renovate and seismic retrofit a building in Downtown Fresno to be the Climate Smart Agriculture Supercomputer Center.	City of Fresno CA	\$5,000
City of Fullerton	Funding to support rehabilitation of the City of Fullerton's Fire Stations.	City of Fullerton CA	\$2,400
City of Gardena	Funding to enhance access to city parks and recreations services.	City of Gardena CA	\$3,000

City of Gardena	Funding to support renovations to Mas Fukai Park.	City of Gardena CA	\$3,000
City of Gustine	Funding to complete the renovation and expansion of a community facility.	City of Gustine CA	\$987
City of Half Moon Bay	Funding to extend a bicycle/pedestrian trail from Spindrift Way to Ruisseau Francais Avenue and create a new bridge crossing over Frenchman's Creek.	City of Half Moon Bay CA	\$2,200
City of Hanford	Funding to make pedestrian safety and flood management improvements in Downtown Hanford.	City of Hanford CA	\$1,100
City of Hayward	This funding will increase multimodal and intermodal connectivity along Main Street, including additional bike lanes and wider pedestrian paths.	City of Hayward CA	\$2,119
City of Hayward	Funding to renovate the Weekes Library in Hayward.	City of Hayward CA	\$1,834
City of Hesperia	The Mariposa Roadway Drainage and Flood Prevention Project would construct berms and make drainage improvements along stretches of Mariposa Road and Mesquite Street in Hesperia to prevent flooding during storm events.	City of Hesperia CA	\$2,000
Hesperia Recreation and Park District	Funding to renovate and modernize the Percy Bakker Community Center.	City of Hesperia CA	\$1,300
City of Highland	Funding to support improvements to State Route 210 and 5th Street interchange.	City of Highland CA	\$2,000
City of Huntington Beach	Funding to reinforce the coastal bluff to ensure access to public access along the coastline and public beaches from Goldenwest to Seapoint.	City of Huntington Beach CA	\$3,000
City of Huntington Beach	Funding to address ongoing coastal erosion by making improvements to the slope and trails from 6th Street to 11th Street.	City of Huntington Beach CA	\$2,900
City of Imperial	Funding to create new park space in the City of Imperial.	City of Imperial CA	\$3,000
City of Indio	This funding will to construct a mile of protected bikeway that will connect to the CV-Link Regional Path.	City of Indio CA	\$2,000
City of Industry	Funding to support the East-West Bikeway project, that will create better connectivity in the San Gabriel Valley for both commuter and recreational bikers.	City of Industry CA	\$1,500
Flying Leatherneck Historical Foundation	This funding will support the relocation and construction of the Flying Leatherneck Aviation Museum from San Diego to Irvine. This will be the first museum in Irvine.	City of Irvine CA	\$2,000
Pretend City, the Children's Museum of Orange County	This funding will support Pretend City's new permanent interactive museum in Irvine's Great Park, a model early childhood resource hub with indoor and outdoor learning spaces.	City of Irvine CA	\$1,500
City of Irvine	The Historic El Toro Marine Corps Air Station Preservation Project will provide building code and seismic upgrades, new utilities, and architectural enhancements at the control tower to maintain the site's military history as part of the City's Great Park development.	City of Irvine CA	\$1,000
City of Jurupa Valley	Funding for comprehensive planning and management of the Santa Ana River.	City of Jurupa Valley CA	\$350
Jurupa Community Services District	Project to improve security and senior citizen accessibility at parks in the Eastvale community.	City of Jurupa Valley CA	\$1,500
City of Kingsburg	This funding will provide for the acquisition of a Fire/EMS Ambulance in the City of Kingsburg.	City of Kingsburg CA	\$550
City of Kingsburg	Development of the City of Kingsburg's dual use City Hall and Emergency Operations Center.	City of Kingsburg CA	\$3,000

City of Kingsburg	Funding to expand fiberoptic broadband connection.	City of Kingsburg CA	\$1,000
City of La Mesa	The Boulevard Drive and 69th Street Storm Drain Infrastructure Capital Project includes a storm drain box culvert, a pocket park at the top of the channel bank, and sidewalks along an area that experiences significant flooding.	City of La Mesa CA	\$2,400
City of La Palma	Funding for the renovation and enhancement of existing public safety facilities.	City of La Palma CA	\$2,000
City of La Quinta	This funding will support the resurfacing of Washington Street to be in conformance with ADA guidelines and prevent future flooding.	City of La Quinta CA	\$2,500
City of Laguna Beach	Project to make safety and traffic improvements along Laguna Beach Laguna Canyon Road (SR-133).	City of Laguna Beach CA	\$2,000
South Coast Water District	Funding to improve campground facilities and improve safety on campgrounds.	City of Laguna Beach CA	\$5,000
City of Lake Elsinore	This funding will provide transitional housing for formerly homeless individuals.	City of Lake Elsinore CA	\$2,500
City of Lakewood	Funding to support the construction of a civic center town square for community development.	City of Lakewood CA	\$2,000
Habitat for Humanity of Greater Los Angeles	Funding to construct 110 affordable homes in Lancaster.	City of Lancaster CA	\$2,000
City of Lancaster	Funding to improve safety and energy efficiency at neighborhood parks.	City of Lancaster CA	\$3,500
City of Lancaster	Funding to support design of improvements to Avenue G at the SR-14 interchange.	City of Lancaster CA	\$2,000
Livermore Valley Joint Unified School District	Funding to make enhancements to schools to prepare for transitional kindergarten.	City of Livermore CA	\$1,745
Linc Housing Corporation	Funding to create 124 units of permanent, supportive housing.	City of Long Beach CA	\$1,500
Long Beach Community College District	Funding to create affordable housing for community college students, faculty, and staff.	City of Long Beach CA	\$3,000
City of Los Alamitos	Funding to renovate Little Cottonwood Park.	City of Los Alamitos CA	\$3,000
City of Los Angeles	This funding will provide for the implementation of cool pavement on street segments with accompanying street trees for shade in the San Fernando Valley.	City of Los Angeles CA	\$2,000
Southern California Regional Rail Authority (SCRRRA/MetroLink)	Project will replace track components as part of the Los Angeles Rail Yard Rehabilitation and Modernization project at Union Station.	City of Los Angeles CA	\$5,000
Coalition for Responsible Community Development	Funding to increase affordable and permanent supportive housing.	City of Los Angeles CA	\$5,000
Housing Authority of the City of Los Angeles	Funding to support development of the Community Center for Watts to serve as resiliency center.	City of Los Angeles CA	\$5,000
City of Los Angeles	This funding will support Legacy Business Facade improvements in neighborhoods with LA Metro Rail stations with the intention of promoting tourism and supporting long-term legacy investments ahead of major international events.	City of Los Angeles CA	\$1,500
City of Los Angeles	Funding to support the re-establishment of the Family Justice Center.	City of Los Angeles CA	\$2,500
Coalition for Responsible Community Development	Funding to support the historic rehabilitation and adaptive re-use of the Lincoln Theatre.	City of Los Angeles CA	\$3,000

Project Angel Food	Funding to support the expansion of a medically tailored meal delivery service to critically ill persons.	City of Los Angeles CA	\$1,000
Initiating Change in Our Neighborhoods Community Development Corporation	Funding to acquire and renovate commercial buildings in Pacoima, and offer tenants long-term affordable leases.	City of Los Angeles CA	\$5,000
Coalition for Humane Immigrant Rights	Funding to transform a vacant building into a multi-service community center.	City of Los Angeles CA	\$5,000
Proyecto Pastoral at Dolores Mission	This funding will support the renovation and expansion of the Guadalupe Homeless Women's Shelter.	City of Los Angeles CA	\$312
Office of Exposition Park Management California Science Center	This funding will be used to produce a parkwide facilities assessment.	City of Los Angeles CA	\$950
AYF Camp of California	Funding to address safety and environmental vulnerabilities at both Big Pines and Twin Valleys Campgrounds.	City of Los Angeles CA	\$900
City of Los Angeles	Funding to support the acquisition of ten vehicles and equipment for the Los Angeles Fire Department's Advanced Provider Response Units.	City of Los Angeles CA	\$3,500
Japanese American National Museum	Funding to upgrade the Museum's Pavilion infrastructure.	City of Los Angeles CA	\$2,500
City of Lynwood	Funding for renovation of the Lynwood Community Center Gymnasium.	City of Lynwood CA	\$1,000
City of Malibu	Funding to construct a permanent neighborhood facility for workforce development and services.	City of Malibu CA	\$1,000
City of Mendota	Funding to support new street light installation to improve public safety.	City of Mendota CA	\$2,000
City of Milpitas	Funding for a new heavy rescue apparatus for the Fire Department.	City of Milpitas CA	\$1,200
City of Milpitas	Funding to support Main Street revitalization.	City of Milpitas CA	\$1,900
City of Milpitas	Funding to renovate the Milpitas Community Center to make it more resilient.	City of Milpitas CA	\$1,500
City of Montclair	Funding to convert a former 2.4 acre Police Impound Lot into a community park.	City of Montclair CA	\$2,555
City of Monterey Park	Project that will include the demolition and reconstruction of Fire Station 63 and the attached training tower that were previously damaged by an earthquake.	City of Monterey Park CA	\$4,500
City of Morro Bay	Funding to address the structural deterioration and safety needs at the Morro Bay T-Pier.	City of Morro Bay CA	\$3,500
City of Newark	Project to improve Newark Boulevard, including resurfacing, utility undergrounding, and new bike lanes.	City of Newark CA	\$3,000
City of Newark	Funding for the construction of new bicycle and pedestrian facilities as well as pavement resurfacing and restriping on Cedar Boulevard between Stevenson Boulevard and Central Avenue.	City of Newark CA	\$2,000
CureDuchenne	Funding to build and establish a state-of-the-art Duchenne clinic.	City of Newport Beach CA	\$2,500
City of Norwalk Transportation System	This funding will help develop a pilot program to provide Microtransit "On Demand" services.	City of Norwalk CA	\$1,132
City of Oakland	Funding to remove blight and illegally dumped materials along the estuary to enhance outdoor access by extending the Bay Trail.	City of Oakland CA	\$2,000

Magnolia Women's Recovery Program, Inc.	Funding to acquire a transitional housing facility to support women and their children experiencing homelessness or housing insecurity.	City of Oakland CA	\$1,700
Urban Strategies	This funding will provide 58 units of 100% affordable housing, half of which are dedicated for Transitional Age Youth.	City of Oakland CA	\$4,000
City of Oakley	Funding for a new library and community center.	City of Oakley CA	\$3,500
City of Oceanside	The Oceanside Pier View Way Bridge Project will support the rehabilitation and upgrade of the deteriorating Pier Bridge.	City of Oceanside CA	\$4,000
City of Orange	Funding to replace two existing structures to the rear of Fire Station 3 with one new building.	City of Orange CA	\$4,000
City of Orange Cove	Funding to relocate the City of Orange Cove Police Department.	City of Orange Cove CA	\$3,000
City of Palm Desert	Funding for high priority bridge maintenance projects.	City of Palm Desert CA	\$1,500
City of Palm Desert	Funding to implement a mental health mobile crisis response program.	City of Palm Desert CA	\$1,000
City of Palm Springs	Funding to expand and improve baggage claim at the Palm Springs Airport.	City of Palm Springs CA	\$2,500
Mount San Jacinto Winter Park Authority	Funding for a second fresh water reservoir at the Palm Springs Aerial Tramway to provide drinkable water and additional fire protection.	City of Palm Springs CA	\$4,500
City of Palmdale	This funding will support the right of way acquisition cost for the grade separation in the City of Palmdale.	City of Palmdale CA	\$5,000
City of Palo Alto	Funding will support the development of the Palo Alto Intermodal Station Master Plan.	City of Palo Alto CA	\$750
City of Parlier	Funding to modernize the City of Parlier's Police Department building.	City of Parlier CA	\$1,000
City of Parlier	Funding for the planning, surveying, engineering and Land Acquisition for a trail which will go along Manning Avenue from Parlier to Reedley.	City of Parlier CA	\$1,800
City of Perris	Funding for the acquisition of a tiller ladder truck, to enhance firefighting capabilities.	City of Perris CA	\$2,600
City of Petaluma	Funding to redevelop the city's fairgrounds for use as a community hub.	City of Petaluma CA	\$1,320
City of Pico Rivera	Funding to support design of the Rosemead/Lakewood Boulevard Complete Corridor Project.	City of Pico Rivera CA	\$2,000
City of Pinole	This funding will help transform the Senior Center to support the community in the event of a natural disaster.	City of Pinole CA	\$900
City of Pinole	Funding to restore Creekside Park.	City of Pinole CA	\$755
White Pony Express	Funding to transition to refrigerated electric vehicles, which are used to pick up and deliver food to low-to-moderate-income neighbors	City of Pleasant Hill CA	\$1,445
City of Pleasanton	Funding for a behavioral health alternative response unit.	City of Pleasanton CA	\$1,000
City of Rancho Cordova	Funding to construct a new facility for community gathering and workforce training.	City of Rancho Cordova CA	\$2,000
City of Rancho Cucamonga	Funding to support relocation of the Archibald Library and integration of a PV Solar and battery storage system to improve resiliency.	City of Rancho Cucamonga CA	\$4,500

City of Rancho Cucamonga	Funding to support Phase 2 of the City of Rancho Cucamonga's Day Creek Channel Trail Project to provide beneficial trail amenities and intersection signals to improve user experience and public safety.	City of Rancho Cucamonga CA	\$2,500
City of Reedley	This funding would be used to retrofit and upgrade the existing Police Department.	City of Reedley CA	\$925
City of Rialto	Funding for improvement on Foothill Blvd. between Maple Avenue and Linden Avenue and between Pepper Avenue and Eucalyptus Avenue.	City of Rialto CA	\$2,400
City of Riverside	Funding to support state-of-the-art demonstration and training facilities for sustainable agriculture and food production.	City of Riverside CA	\$2,664
City of Riverside	Funding to improve vehicular, pedestrian, and bike circulation at Fairmont Park.	City of Riverside CA	\$1,500
City of Rosemead	This funding will help renovate the Garvey Avenue Community Center.	City of Rosemead CA	\$1,400
Sacramento Regional Transit District	This funding would support upgrades at the 8th & K St, 8th & O St, 8th & Capital, and 7th & Capital light rail stations to accommodate new low-floor light rail vehicles and improve boarding and passenger safety.	City of Sacramento CA	\$4,000
City of Sacramento	This funding will expand non-congregate sheltering capacity in the City of Sacramento by adding 50 temporary shelter cabins at the Roseville Road shelter and service campus.	City of Sacramento CA	\$3,000
Transportation Agency for Monterey County	The King City Multimodal Transportation Center project will re-establish a passenger rail station for the Amtrak Coast Starlight and the planned Coast Daylight train service.	City of Salinas CA	\$1,500
Omnitrans	This funding for the purchase of a battery electric bus and associated charging infrastructure.	City of San Bernardino CA	\$2,092
City of San Clemente	Funding to repair damages to the Mariposa Bridge following severe winterstorms and landslides.	City of San Clemente CA	\$5,000
City of San Diego	Funding to provide non-congregate shelter options to people experiencing homelessness.	City of San Diego CA	\$1,200
City of San Diego	Funding to support 88 shelter beds to support people experiencing homelessness.	City of San Diego CA	\$2,500
San Diego Metropolitan Transit System	Funding for design of the Clean Transit Advancement Campus, MTS's new zero-emission bus division.	City of San Diego CA	\$5,000
Fleet Science Center	Funding to replace roof damage and to ensure the safety of visitors.	City of San Diego CA	\$1,900
City of San Diego	The Streamview Drive Safety Improvements Project will deliver mobility, safety, and resiliency improvements to a historically disadvantaged community identified as a Vision Zero priority area.	City of San Diego CA	\$4,700
City of San Diego	Funding to support replacement of the El Camino Real bridge over the San Dieguito River.	City of San Diego CA	\$4,100
Larkin Street Youth Services	Funding to make capital improvements for a site that serves youth experiencing homelessness.	City of San Francisco CA	\$1,500
GLIDE Foundation	Funding to renovate and expand parental support, childcare, and behavioral health facilities.	City of San Francisco CA	\$1,500
Mission Economic Development Agency	Funding to develop affordable housing for community educators.	City of San Francisco CA	\$2,000

San Francisco Environment Department	This funding will support the deployment of make-ready electric infrastructure for pilot curbside electric vehicle charging and shared mobility projects at various locations in San Francisco.	City of San Francisco CA	\$2,750
Children's Creativity Museum	Funding to create a Youth STEM design lab.	City of San Francisco CA	\$1,386
San José State University Research Foundation	This project will replace and expand the existing damaged floating dock at Moss Landing Marine Laboratories	City of San Jose CA	\$4,156
City of San Jose	Funding to support a community outreach campaign to inform renters and landlords of rights and resources available to them.	City of San Jose CA	\$750
City of San Leandro	Funding to support creation of a regional park as part of the Monarch Bay Shoreline Development Project.	City of San Leandro CA	\$3,000
City of San Mateo	Funding to make critical infrastructure improvements to a Lakeshore Community Day Care Center.	City of San Mateo CA	\$2,000
City of San Pablo	Funding to connect the cities facilities.	City of San Pablo CA	\$3,000
City of San Pablo	Funding to develop publicly-accessible electric vehicle charging stations.	City of San Pablo CA	\$3,000
Marin Clean Energy	Funding to to design and implement an electric bicycle (eBike) incentive program.	City of San Rafael CA	\$1,500
City of Sanger	Funding to construct a sewer trunk line.	City of Sanger CA	\$1,500
City of Santa Ana	This funding will support the demolition and reconstruction of a new community center and park site improvements at Logan Center/Chepa's Park	City of Santa Ana CA	\$2,500
City of Santa Barbara	Funding to make improvements to the Eastside Library.	City of Santa Barbara CA	\$1,000
City of Santa Clara	The Pruneridge Avenue Complete Streets Project will remove portions of existing travel lanes to complete a cross-county bicycle network and enhance intersections along the corridor with pedestrian improvements such as quick-build curb extensions, ADA curb ramps, and signal enhancements.	City of Santa Clara CA	\$2,000
City of Santa Clarita	Project to improve traffic and pedestrian safety at Saugus High School by installing curb extensions in front of the school as well as upgrades to existing crosswalks with high-visibility crosswalk markings.	City of Santa Clarita CA	\$2,000
City of Santa Cruz	Funding for the reconstruction of the downtown Santa Cruz Public Library with the addition of affordable housing.	City of Santa Cruz CA	\$2,000
City of Santa Cruz	Funding for the demolition and retrofit of a section of the Santa Cruz Wharf that has sustained significant damage from storms.	City of Santa Cruz CA	\$2,000
City of Santa Cruz	Funding for the purchase, delivery and assembly of 75 Safe Sleeping Cabins at the City of Santa Cruz's primary transitional homeless shelter, City Overlook at the Armory.	City of Santa Cruz CA	\$1,500
City of Santa Cruz	Funding to support the seismic retrofit of Murray Street Bridge.	City of Santa Cruz CA	\$3,500
City of Santa Maria	Funding to expand Santa Maria's Fire Department Station 1.	City of Santa Maria CA	\$1,500
City of Santa Rosa	Funding to improve Colgan Creek Park and ensure ADA accessibility.	City of Santa Rosa CA	\$478

City of Santee	The City of Santee Community Center Project will build a new community center in the east parking lot of the Cameron Family YMCA adjacent to Town Center Park.	City of Santee CA	\$5,000
City of Selma	This funding will extend drainpipes to connect existing systems to a downstream basin.	City of Selma CA	\$2,000
City of Signal Hill	The Walnut Avenue Safety Enhancement Project will design/construct improvements to enhance safety for motorists, bicyclists, and pedestrians.	City of Signal Hill CA	\$1,100
City of Signal Hill	Funding to to upgrade amenities, enhance safety, and promote environmental sustainability.	City of Signal Hill CA	\$1,400
City of Soledad	Funding to rehabilitate the Soledad Community Center	City of Soledad CA	\$950
City of South El Monte	This funding will support the last phase of the North Merced Ave Greenway Project by providing the final linkage to connect the northern residential Merced Ave green corridor to the far southern residential Merced Avenue Greenway in the City of South El Monte.	City of South El Monte CA	\$4,000
City of South El Monte	Funding to construct a new community facility in New Temple Park.	City of South El Monte CA	\$2,000
City of South Gate	Funding will support the replacement of 6 buses with new electric buses and provide the infrastructure to support the charging of the buses. These buses are used on the City of South Gate's local bus line.	City of South Gate CA	\$3,000
City of South San Francisco	Project to to construct a new sewer force main parallel to existing pipe originally installed in 1956.	City of South San Francisco CA	\$2,000
City of South San Francisco	Funding for the development of Linden Avenue Park.	City of South San Francisco CA	\$1,000
City of Stanton	This project would provide funding to restore a pedestrian bridge over a flood control channel to reconnect a disadvantaged community to services and amenities.	City of Stanton CA	\$630
City of Stanton	Funding to enhance the existing Community Center and Senior Center.	City of Stanton CA	\$1,000
City of Stockton	Funding to develop a Precise Road Plan to design transportation amenities to improve connectivity and safety along Stockton's Pershing Avenue Corridor.	City of Stockton CA	\$2,500
City of Sunnyvale	Funding to construct an operations hub for the Water Pollution Control Plant.	City of Sunnyvale CA	\$5,000
City of Sunnyvale	Funding to rebuild City of Sunnyvale Fire Station 2 which houses a regionally recognized fire training facility.	City of Sunnyvale CA	\$5,000
